

Preface

At ICME-10 a total of 79 regular lectures were given. Five of these had a particular status by being either based on the work of Survey Teams or given by the two ICMI medallists for 2003. The papers of these five lectures are included in the printed part of this proceedings under the heading of sub-plenary lectures. Of the remaining 74 lectures, papers based on 64 of them are included in this proceedings.

Manuscripts were not submitted for publication by the following regular lecturers:

Deborah Ball and Heather Hill; Albrecht Beutelspacher; Rolf Biehler; Sung Je Cho; Daniel Goroff; Anna Kristjánsdóttir; Liping Ma, Alexei Samylovskiy, Evgeny Shchepin, and Heinz Steinbring.
